

PROSPER AMERICA QUICKLY™

Your simple and direct path to success with this exciting program is as follows:

1. Address a mailing envelope to the first person on the enclosed participant's list whose name is NOT CROSSED OUT. Make a copy of the participant's list and fold the \$3 in cash you received in this letter inside the copy. Be sure you put your return address on the envelope along with a postage stamp. Mail this letter as quickly as you can.
2. Now CROSS OUT THE NAME which you just put on your mailing envelope above, and add your own name at the bottom of the participant's list. Including you, there should still be seven people on your participant's list whose names are not crossed out.
3. Make three copies of the cover letter, this instruction sheet, and the new participant's list with your name in seventh place. You will place \$3 inside each of these invitation letters before mailing them out or handing them to people you know who are looking for a good way to generate extra money. (Plan ahead so that you can send out a few more copies of your P.A.Q. invitation letter with \$3 cash in each letter...the more you send out, the greater the return you will soon see!)

That's all there is to it!
