

YOUR Retirement Freedom CASH PLAN™

You can profit \$1,000 a week, every week, for the rest of your life!

There has never been anything just like this, and we believe you will quickly see why your 401k or IRA cannot possibly keep up with it. No gimmicks, no shortcuts, no excuses. With the Retirement Freedom CASH PLAN™ the money comes directly to you, you know exactly how much you are making, and there are *no minimum requirements to get paid*. No “one ups” or “two ups” *before* you get paid. No monthly fees, website fees, or monitor markups. Just mail this letter and receive your cash quickly by return mail.

SPECIAL BONUS: We also have an extremely successful program which you should add to this one when you mail it, called Free Stamp Freedom™... and this will enable you to generate free stamps so you can do all your mailing virtually cost-free. If Free Stamp Freedom™ was not included by the person sending you this letter, call or email right away (see bottom left) so we can send you a free copy.

WHEN YOU JOIN the Retirement Freedom CASH PLAN™ your name will appear in the #1 position below. Everybody who joins from your invitation letter will receive their master copy of this letter with *their name* in the #1 spot, but YOUR NAME will be in the #2 AND #4 positions. (The #4 spot is your Permanent Pay position.) You will always have two pay positions on the invitation letter of all people you personally sponsor. Remember, you will ALSO be cycling through 3 levels on all those invitation letters, meaning that more and more people are going to be mailing you cash as THEY JOIN with you!

ANOTHER BONUS: We have an excellent relationship with a well-established print-and-mail company here in the US; this company will print 1500 copies of your letter and mail them to a top-quality list of opportunity seekers and work-from-home enthusiasts. In fact, you can put Retirement Freedom™ on one side, and Free Stamp Freedom™ on the other side, and mail out 1500 two-sided copies for only \$35.00! If you take advantage of this special offer, you should not have to repeat this mailing unless you want to! (Print-and-mail companies mail an envelope full of many different offers, but yours WILL BE SEEN for a super-low cost by all who get it...and this letter has an *extremely high response rate!*)
